

A decorative graphic on the left side of the slide consists of several spheres of varying shades of gray and black, each mounted on a thin, dark stick. The spheres are arranged in a cluster, with some in the foreground and others in the background, creating a sense of depth. The sticks are of varying heights and are positioned at different angles.

October 2006 Border Binational Health Week

Dr. Hugo Vilchis
NM ORO Director
August 8, 2006
